EDH APAC July 24, 2023 Letter - EDH52-Costco Technical Advisory Committee Meeting.pdf;

Hello,

The El Dorado Hills Area Planning Advisory Committee (EDH APAC) would like to submit the following comment letter for consideration at the July 31, 2023 scheduled TAC meeting for the updated PD15-0001, Z17-0004, P17-0007, LLA21-0009, V22-0001 – EDH 52 project.

With such a significant change from the previously proposed usage of the "North" project area to mixed use, EDH APAC believes that a new public Scoping Meeting should be conducted in El Dorado Hills, to allow residents to learn more about the proposed changes, and to provide positive feedback to the project applicants.

We appreciate the opportunity to provide analysis, and resident feedback, on the proposed project.

Respectfully,

John Davey

Chair
