Re: APN: 115-410-011, Rescue, CA (the "Property") SB 330 Application; Notice of Intent to Apply for Streamlined Ministerial Processing of 100% Affordable Housing Project; Request to Initiate Tribal Consultation; Request for Pre-Application Meeting

Dear Mr. Flower:

In response to the Planning Department's comments regarding its previous SB 330 Preliminary Application, Affirmed conducted additional analysis and investigation, and has revised its project as described in the accompanying SB 330 Preliminary Application. Loeb & Loeb LLP is counsel to Affirmed Housing in connection with the SB 330 and AB 2011 processing of our proposed project located in Rescue with a 100% affordable housing project comprised of 126 apartments, with 124 of the apartments reserved for low income households and 2 manager's units. This SB 330 Preliminary Application supersedes Affirmed's previous SB 330 Preliminary Application filed on July 28, 2023.

This letter and the accompanying SB 330 Preliminary Application constitutes Affirmed's notice of intention to apply for streamlined ministerial approval of the project described in the accompanying SB 330 Preliminary Application. As required by Government Code Section 65913.4(b), we request that the Planning Department provide notice initiating tribal consultation within 30 days of receipt of this letter. Please provide our office with a copy of the notice initiating the consultation as required by Section 65913.4(b) when it is issued.

We look forward to meeting with Planning Department and El Dorado County staff to discuss this revised project, and to respond to any questions or comments staff may have.

Sincerely,
