EDH APAC Generations At Green Valley DEIR Public Review Comments.pdf; Exhibit 1 - EDH-WATER-Supply-Demand-Analysis-W-FULL.pdf;

Hello,

The El Dorado Hills Area Planning Advisory Committee (EDH APAC) would like to submit the attached public review comments on the Generations At Green Valley DRAFT Environmental Impact Report - GPA22-0001, Z22-0001, TM22-0001, DA24-0001.

Our public review is comprised of comments, questions, and concerns provided by:

1. EDH APAC Executive Officers
2. The EDH APAC Generations at Green Valley subcommittee
3. Members of the El Dorado Hills Community

We've enjoyed communication and outreach from the project applicants beginning as early as 2017, and recently had the benefit of a project presentation at our August 14, 2024 EDH APAC public meeting. It is our hope to continue to engender the the positive communication and the applicant's generous public engagement as the project moves forward through the approvals and entitlements process.

Respectfully,  
John Davey  
Chair
