If your facility will store reportable quantities of hazardous materials (55 gallons) or generate hazardous waste, prior to commencing operations the owner/operator must:

- Prepare, submit and implement a hazardous materials business plan and pay appropriate fees.
- Obtain a hazardous waste generator identification number from the California Department of Toxic Substances Control.
 - Train all employees to properly handle hazardous materials and wastes.
 - Implement proper hazardous materials and hazardous waste storage methods in accordance with the Uniform Fire Code and Uniform Building Code.

Business owners and operators intending to handle hazardous materials in excess of reportable quantities are required by law to complete and file a hazardous materials business plan with our Department **prior to obtaining a business license or prior to having the materials onsite, whichever comes first.** Hazardous Materials Business Plan forms are available at http://www.edcgov.us/Government/EMD/HazardousMaterials/Hazardous_Materials_Storage_Business_Plans.aspx

Certification: By signing below I acknowledge my responsibility to comply with the hazardous material and hazardous waste laws and regulations enforced by the EDC Environmental Management Department and agree to prepare and submit a plan when required.
